The image shows an outdoor beer garden with a vibrant, colorful wall on the left. The wall features horizontal slats in shades of teal, green, yellow, and red. In the foreground, there are several wooden picnic tables with black metal legs. To the right, there are more tables, including round ones with metal chairs. The area is shaded by large white umbrellas with the Corona logo. In the background, there are two palm trees, one with a textured trunk and another with green fronds. A modern building with large windows and a balcony is visible on the right. The sky is blue with scattered white clouds. String lights are strung across the area.
